Hi Andrew and Judy, Mario sent links to two article regarding the lawsuit in ID FYI.

Also, how should the 10:00 call be initiated/run - protocol-wise?

Thanks so much!

Hi Mario, Judy, Andrew and I have a call at 10 with Karl and Pete to give it one last shot to push for no action on ND's Hg adoption.

Do you have a sentence you can share on the Idaho lawsuit? Which entity is - or is expected to sue us and is it on EPA's approval of ID's criteria? So sorry I'm not clear on it. Thanks so much for all your help!
